The following shall be a part of RFP **3284**. If a vendor has already returned a proposal and any of the information provided below changes that proposal, please submit the changes along with this amendment. You need not re-submit an entire proposal prior to the opening date and time.

---

1. Section 3.1.3. of the RFP list services to be performed by the selected contractor. However, Subsection 3.1.3.8. only indicates the service "Installation" but does not specify what is to be installed. Could you please clarify?

***This is a formatting issue and Section 3.1.3.8 "Installation" should be omitted because 3.1.3.7 should read "Extraction Well Installation;"***

2. The Agency has amended **ATTACHMENT H – COST PROPOSAL** of the RFP.
